

- **Super admin** - Trial & Automation- The system will provide a configurable free trial plan for newly registered gyms. The trial duration can be fully controlled by the Super Admin and can be set to any period (e.g., 7 days, 15 days, 30 days, etc.)

Subscription Plans & Feature Management

Automation & Global Settings

The screenshot shows the 'Automation & Global Settings' page. On the left is a sidebar with navigation options: Dashboard, Leads / Inquiries, Branches, Gym Owners, Request Plan, Plans & Pricing, Payments, Announcements, Setting, Trial & Automation (selected), Manage Sub-Admins, Inventory, and Leaderboard. The main content area has two columns.

System Rules:

- Register:** 1 (blue circle)
- Trial Ends:** 7 (blue circle)
- Lockout:** 3 (red circle)
- Free Trial Duration:** 7 Days (blue button). Below it, a slider for 'Days a new Gym Owner uses the software for free.' is set to 7.
- Grace Period (Post Expiry):** 3 Days (yellow button). Below it, a slider for 'Days after trial/plan expiry before lockout.' is set to 3.
- Low WhatsApp Credit Threshold:** 50 (input field). Below it, text says 'Alert threshold for low message credits.'
- Email Notifications:** System-wide automated emails (toggle is off).
- WhatsApp Notifications:** System-wide WhatsApp alerts (toggle is off).

Message Templates:

- WELCOME TRIAL:** Subject: Welcome to Your Gym Software Trial! Content: Hi (Name), your (Days)-day free trial has started. Enjoy!
- EXPIRY REMINDER DAILY:** Subject: Your Trial is Expiring Soon. Content: Hi (Name), your trial expires on (Date). Please purchase a subscription to keep access.
- TRIAL EXPIRED FINAL:** Subject: Your Trial Has Expired. Content: Hi (Name), your trial has expired. Your account is now inactive. Please upgrade.
- SUBSCRIPTION ACTIVATED:** Subject: Welcome Aboard.

At the bottom right, there is a watermark: 'Activate Windows Go to Settings to activate Windows.'

- **Equipment & Inventory**

The screenshot shows the 'Equipment & Inventory' page. On the left is the same sidebar as the previous page. The main content area has a header with 'Equipment & Inventory' and a subtitle 'Manage gym equipment, assets, and submit procurement requests.' There are two buttons: 'Request Item' and 'Add Equipment'.

Summary Cards:

- Total Equipment Count:** 0
- Low / Out of Stock:** 0
- Needs Maintenance:** 0

Buttons: Equipment Register, Procurement Requests

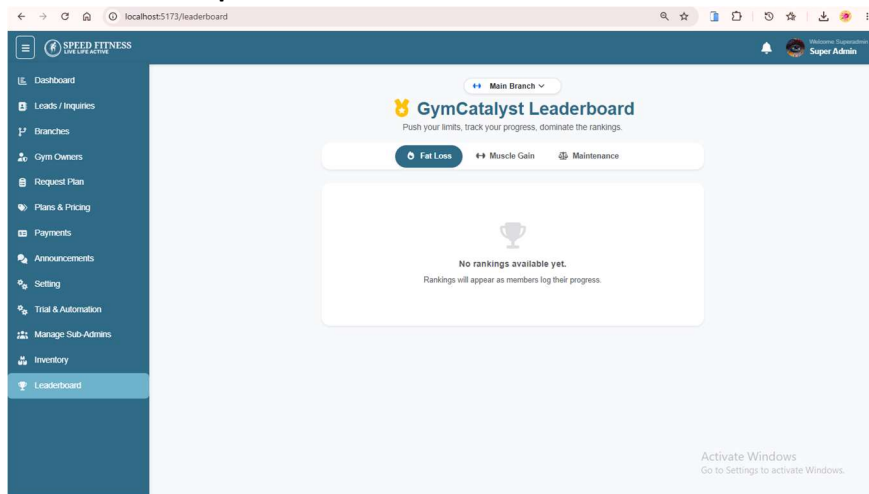

Equipment List:

Search equipment... All Categories

No equipment found Try adjusting your search or add a new equipment item.						

At the bottom right, there is a watermark: 'Activate Windows Go to Settings to activate Windows.'

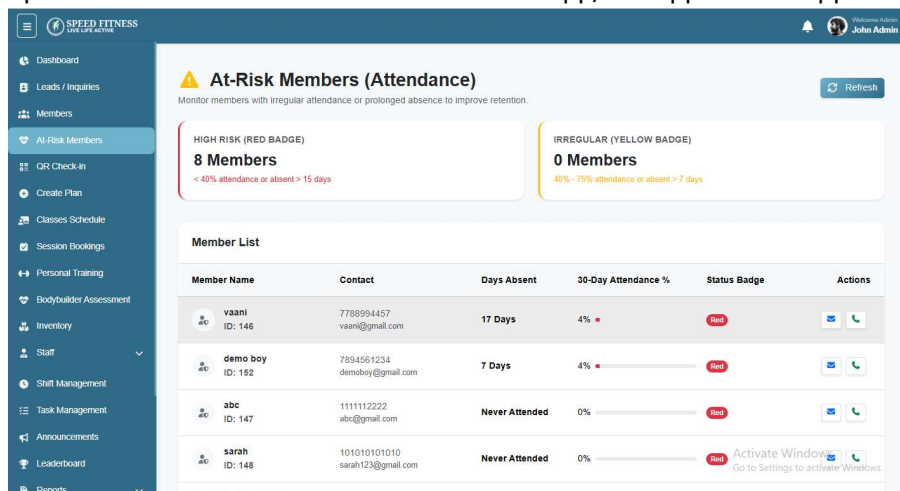

- **Leaderboard – superadmin - multibranch filter button**

- **Admin - leaderboard**

- **At-Risk Members -The system will automatically categorize members based on their attendance percentage and send alerts to both members and gym administrators via selecting setting options for notification to be sent via in built App/webapp or whts app messages**

- **Bodybuilder Assessment**

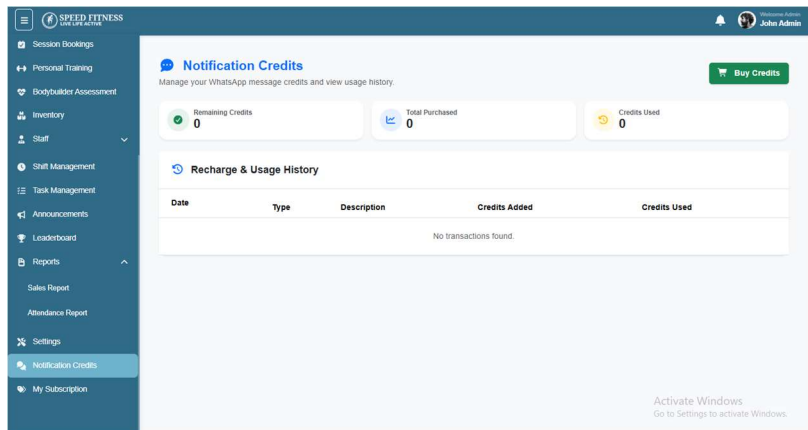

The screenshot shows the 'Bodybuilder Assessment' form in the Speed Fitness app. The left sidebar contains navigation options: Create Plan, Classes Schedule, Session Bookings, Personal Training, Bodybuilder Assessment (selected), Inventory, Staff, Shift Management, Task Management, Announcements, Leaderboard, Reports, Settings, Notification Credits, and My Subscription. The main content area is titled 'Bodybuilder Assessment' and includes a description: 'Detailed muscle group measurements and progress tracking for professional bodybuilders.' The form is divided into three sections: 'Basic Info' with fields for 'Select Member' (a dropdown menu), 'Age' (a text field), and 'Gender' (a dropdown menu); 'Core Measurements' with fields for 'Weight (kg)', 'Height (cm)', and 'Resting Heart Rate' (BPM); and 'Muscle Group Circumferences' with fields for 'Neck (cm)', 'Shoulders (cm)', 'Chest (cm)', 'Waist (cm)', 'Arms / Biceps (cm)', 'Forearms (cm)', 'Thighs (cm)', 'Calves (cm)', and 'Hips / Glutes (cm)'. Each field has a numerical input and a unit dropdown. A watermark 'Activate Windows' is visible in the bottom right corner.

- **Announcements & Notifications**

The screenshot shows the 'Announcements & Notifications' form in the Speed Fitness app. The left sidebar is the same as in the previous screenshot, with 'Announcements' selected. The main content area is titled 'Announcements & Notifications' and includes a description: 'Broadcast to all members or send personalized messages.' The form is divided into two main sections: 'Draft Announcement' and 'Broadcast History'. The 'Draft Announcement' section has a 'Target Audience' section with radio buttons for 'All Members' (selected) and 'All Staff', a 'Delivery Channels' section with checkboxes for 'In-App Dashboard Banner', 'Email Broadcast', and 'WhatsApp Notification', an 'Announcement Subject' text field, and a 'Message Content' text area. The 'Broadcast History' section shows a table of past broadcasts. A watermark 'Activate Windows' is visible in the bottom right corner.

To make your GymCatalyst system fully live and automated, you will need to purchase the following APIs:

1. Email SMTP Service (Required) This is needed to send all automated emails from the system — such as invoices, membership reminders, attendance alerts, and announcements.

Recommended options: SendGrid, Amazon SES, or Hostinger Business Email.

2. WhatsApp Business API (Optional) If you want to send automated WhatsApp messages to your members (like renewal reminders, payment receipts, etc.), you will need a WhatsApp Business API.

Recommended options: Wati, Interakt, or Twilio WhatsApp.

Once you purchase and share the credentials, we will integrate them into the system immediately.

Let us know if you have any questions!
